

Market Profile West Texas

With PHCS Savility, you and your clients have an independent PPO network alternative in West Texas that delivers hospital savings nearly five percentage points greater than our standard primary PPO network in the area.

The Network At-a-Glance

Today, PHCS Savility offers access to 79% of the acute care hospitals and over 100 healthcare practitioners in West Texas, including some of the area's largest medical groups. Overall, the network looks like this:

Provider Type	Target Access
Acute Care Hospitals	11
Ancillary Facilities	1,128
Practitioners	128
Total	1,267

Key participating providers include:

- Big Bend Regional Medical Center
- Culberson Hospital District
- Del Sol Medical Center
- East El Paso Physicians Medical Center
- El Paso Medical Network, SC
- Las Palmas Medical Center
- Pecos County Memorial Hospital
- Physicians Healthcare Associates
- Sierra Providence Health System:
 - Children's Hospital at Providence
 - Providence Memorial Hospital
 - Sierra Medical Center
 - Sierra Providence East Medical Center

The Network Beyond West Texas

What's more, PHCS Savility is available to members on a national basis. When seeking care outside the West Texas area, PHCS Savility members automatically have access to all other PHCS Savility providers, and to PHCS Network and HealthEOS providers outside PHCS Savility markets. This means that, outside West Texas, PHCS Savility members have access to approximately 4,200 more hospitals, 70,000 more ancillary facilities and 640,000 more practitioners across the country.

Who Offers PHCS Savility

A number of carriers and third party administrators have implemented PHCS Savility, with several more scheduled to start. Enrollment in West Texas was available beginning October 1, 2010.
